The story of a well-defined (?)

Predrag Skokovic and Uros Stanisic

Introduction

Question by example

Well-defined questions

Context and Perspective

"Questions are what shapes our thought, Our thought impacts our decisions, Decisions inspire our activities, And our activities bring results."

What is the best tool for test automation?

What is the best tool for test automation?

What is the best tool for test automation?

... illusion of "The Best"

... question element: Population (Context)

... question element: Intervention (Intention)

What are important KPI's on the project?

What are important KPI's on the project?
