The Agile Manifesto

| | | |
|---|------|-----------------------------|
| Individuals and Interactions | over | Processes and Tools |
| Working Product | over | Comprehensive Documentation |
| Customer Collaboration | over | Contract Negotiation |
| Responding to change | over | Following a plan |
| That is, while there is value in the items on the right, we value the items on the left more. | | |

DevOps Movement

Reports of my death are greatly exaggerated ...

DevOps & testen

The diagram illustrates the DevOps cycle as a continuous loop of three main phases: Build, Release, and Operate. Each phase is supported by a corresponding activity: Continuous integration and testing (Build), Continuous delivery and deployment (Release), and Continuous operations (Operate). The cycle is further enhanced by 'Continuous assessment' at the top and bottom. Below the diagram, a team of four small figures is shown pushing large red gears, symbolizing the collaborative effort required for DevOps. A row of five clock icons with figures running between them represents the speed and efficiency of the process.

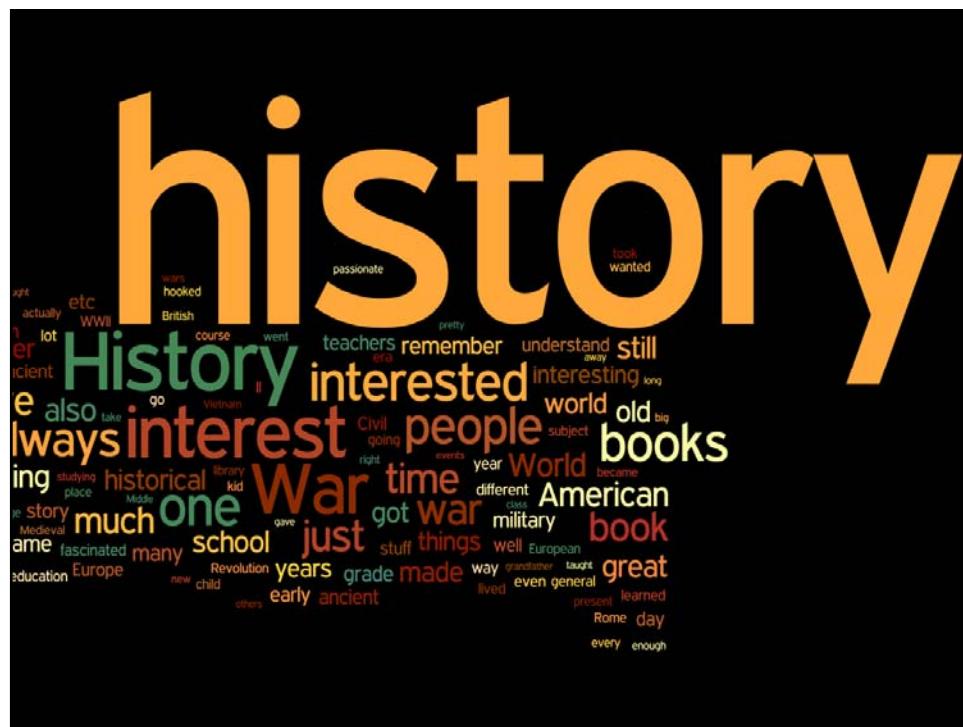

- ▶ Wikipedia: "Operations seeks organizational stability, Developers seek change, and Testers seek risk reduction"

En wat doen we nou met die testers?

This cartoon illustrates the perceived fate of testers. On the left, a classical-style building labeled 'MUSEUM' stands next to a large red question mark. To the right is a trash can overflowing with various items, symbolizing testers being discarded. In the center, a woman in a green shirt is shown in a field of tall grass, holding a bunch of wheat. Above her is a sign that reads: 'HARD WORK FRESH, CLEAN COUNTRY AIR FREE LIVING ACCOMMODATIONS PLEASANT CAMP COUNSELORS INSTILLING CHRISTIAN VALUES'. Below the woman, the text 'Sunny Ohio Country REEDUCATION CAMPS' is written in a stylized font. At the bottom right, the text 'xaggerated ...' is written in orange.

The screenshot shows a web browser displaying the Monsterboard website. The search bar at the top has 'Tester vacatures' entered. Below the search bar, there's a heading 'RESULTATEN FILTEREN OP' with 'ICT' and 'Tester' selected under 'FILTERS'. A red circle highlights the text 'We hebben 483 Tester vacatures voor je gevonden op Monsterboard.nl'. At the bottom of the page, there's a footer with the Professional Testing logo.
