VIRTUAL INFLUENCER

ABOUT ME

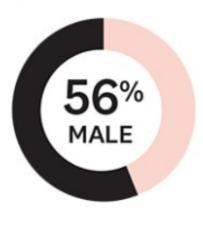

I originally launched my Instagram as a way to promote Kentucky Fried Chicken, my super-successful international business. After much reflection I realized I should use my platform for so much more. So I turned myself into a virtual influencer to inspire people to be their best selves. My inspirational life and advice is a unique blend of knowledge, positivity, and mindfulness, also known as the SecretRecipeForSuccess. I'm open to using my platform to amplify and promote other brands who share my goals and values. Basically, I am an international mogul turned virtual person who wants to inspire the world with my amazing life.
